The Ryobi ONE+ range is designed to meet all your DIY needs in and around your home. Ryobi Tools allow you to make changes to your home, garden and even your car; the Ryobi ONE+ range offers to tools to assist you in cutting metal, inflating a tyre, vacuuming your car and more. With the Ryobi ONE+ system, you're able to do all this with just ONE battery! Ryobi ONE+ is a system of over 100 tools for your home and garden, all working with the same Ryobi Battery. The Ryobi ONE+ Battery has incredible runtime and consistent power when used alongside any Ryobi Tool; when choosing your Ryobi Battery, you're able to choose from a selection of different battery packs to suit the tool's power and application needs. Selecting a Ryobi Battery with a higher Amp (shown as Ah) will increase the run time of your cordless tools. With a three-year warranty available on all Ryobi Battery-Powered tools, you're guaranteed an expert tool to last you at least three years. "A month ago I was a skeptic, but became a believer when I put this to a hard test right out of the box....and it performed magnificently on dense heavy brush. My son, who owns a landscaping Co. Was also impressed. The battery life is not going to last all day, but neither do I! I love this more than my Stihl, and that says a lot."- RvT123Page 2"RYOBI" is a trademark of RYOBI Limited and is used by TTI Consumer Power Tools, Inc. pursuant to a license granted by RYOBI Limited.
